SIXTH FORM BULLETIN

Westfield Football Academy

After last year's success on the football field, it looks like our Football Academy are again aiming to add to their trophy cabinet.

The boys are currently in joint 1st place at the top of the league with 4 more games to play.

We wish them every success in the National Youth League and hope that they will be able to keep the cup.

What next?

We have recently hosted a careers fair for year 10, 11 and 12 students, providing an opportunity for them to find out about careers, apprenticeships, Sixth Form, College and University.

The following day, we took our year 12 students to a Higher Education Fair at Middlesex University where they had the opportunity to collect information, speak to the experts and take part in activities.

Our first **parent drop in session** proved very successful with a few parents coming in to see Mrs Porter.

Our next drop in will be on **Wednesday 22nd April from 3pm to 4:30pm.**

Please come along if you have a question. If we cannot answer it on the day, we will get back to you within a few days

Some of our year 12 students have volunteered to act as mentors to some year 8 students. They have been carefully matched according to interests, hobbies and lifestyle so that they get the very best experience from the sessions. It has been wonderful to watch them interact and the year 8 students now have a role model to look up to and go to when they need someone to talk to. The mentors will be going into some of their lessons to see how they are getting on.
