

Homework Timetables

KS3: The minimum expectation is one homework per subject a week that will take the students a minimum of **30** minutes to complete.

KS4: The minimum expectation for homework is that each subject would set one homework per that would take the students approximately **50** minutes to complete.

This homework timetable therefore shows the minimum expectation.

Post-16: The expectation is that 1 hour of homework/independent study will be set after each lesson.
