Add effective words to create impact:

The wind moaned through the branches as the leaves were released from the tree's hold to dance into the night sky.

It was twilight, the shadows deepened, and the clouds across the full moon.

Mildew and moss clung to the bark of the trees.

For the briefest moment I had thought I a flit between the trees.

I felt more and more frantic as I blundered through the and tried to my legs forward.

....., I stumbled forward reaching my hands out to protect my eyes from branches that might into my face at any moment.
