

Uteach Testimonials Westfield Academy

Your name:
Emma Mellon

When you started:
Sep 2012

Current position:
Head of Year 11

Sum up Westfield in 3 words:
Lively, welcoming, progressive

Why you love Westfield and the pupils:

Westfield is a very welcoming school with a lively, yet nurturing atmosphere. The students here are amongst the most loyal that you will find and they benefit so much from your attention and care. There is never a dull moment here and always something for you to get involved in. The opportunities for CPD at Westfield are excellent with both internal and external training sessions available. I personally am extremely grateful for the training and professional opportunities I have received here at Westfield. Coming to Westfield was definitely the best decision for starting and developing my teaching career.

Where you live-distance to school.

In Watford approx 5mins away.

Hi, I am Fiona and I am from Sligo.

I started working at Westfield in Sept 2015 as a KS3 & KS4 Maths teacher.

The school is amazing place to work with a wonderful bunch of staff. If I were to sum up working in Westfield using 3 words, I would use:

- Rewarding
- Supportive
- Welcoming

The students are great, appreciative and engaging, which makes lessons really fun.

I lived within walking distance of the school for the first 6 months. As I got to know the place and made new friends – I moved out of the town and now live 15 minutes' drive from the school.
