

Happy New Year 2025

Headteacher Message

The role of Headteacher has many different aspects to it, some more enjoyable than others. However last week I had one of my favourite activities, giving out rewards in assembly. Last week Ms Rafter took the Year 7 - 10 assemblies and gave out subject achievement badges and certificates. These subject awards were chosen by subject teachers and identified those students who had performed particularly well in each subject. It was my genuine pleasure to award the badges and to acknowledge those high performing students. I'd like to congratulate all the badge and certificate winners - well done.

Culture day celebrations Thank you and well done to all involved.

Pride in our year 11's

David H -David consistently applies himself to the best of his abilities and is producing high-quality work in his English lessons. Keep up the good work!

Lennon H- Lennon worked really well during the art exam, taking his time to complete work to a good standard. He focused well

and created an interesting outcome for his project.

June C- June always goes above and beyond with her Sociology work - she completes extension tasks and writes her extended writing pieces to a very high standard. She is always looks for ways to improve.

Muskaan S- Muskaan as done exceptionally well in H&SC and it was very kind of her to stay behind after finishing her work to help out her peers with their PSA2 work.
