Dear Parents and Carers

Firstly I would like to wish all of you a happy and safe Christmas period. I hope you are all able to enjoy time with your families during these difficult times

The recent Government announcements will involve some changes to the start of term, week beginning 4th January:

- Students in Years 11, 12 and 13 will return to school on Tuesday 5th January as planned
- Students in Years 7, 8, 9 and 10 will be taught remotely using Go4Schools and Edmodo resources from Tuesday 5th January and will return to school on Monday 11th January.
- Additional on-site provision for vulnerable students or the children of critical workers from 5th January.

For Years 7-10, all students have Go4Schools and Edmodo log-ins for their individual classes and subjects, and should use these to access and complete their work during the course of this week. We support the Governments' guidance of 4 hours of work a day, and will be setting work in accordance with this. If there are any issues with G4S log-ins, parents should contact Admin@westfield.academy.

There will be further communication regarding the proposed coronavirus testing of students, as well as lunch and transport arrangements.

Thank you for all your support both this term and in the future.

Kind regards

Mr T. Body
Headteacher
