Dear Parent/Carer

### Careers at Westfield Academy

Does your student know what they want to do when they leave school? Have they thought about apprenticeships? Do you know how to support them in this process? Here at Westfield Academy we are part of the *Apprenticeship Specialist Project* in Hertfordshire and we would like to gather information about the way that parents and guardians view apprenticeships and the support that they feel they need. We would therefore ask that you kindly follow the link and complete the survey at your earliest convenience.

Thank you for your ongoing support.
